

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

The title has been rewritten.

Claim 19 has been amended to overcome the §112 rejection thereof.

The subject matter of allowable claim 2 has been inserted into claim 1, claim 2 has been canceled, and claims 3 through 13 have been corrected where necessary to depend from claim 1. This makes claims 1 and 2-13 allowable.

Rejected claim 14 has been canceled.

This places all the claims in the case in condition for allowance.

Enclosed herewith is a proposed correction to FIG. 5. If the correction is approved, formal drawings embodying it will be filed when the case is allowed.

If only minor problems that could be corrected by means of a telephone conference stand in the way of allowance of this case, the examiner is invited to call the undersigned to make the necessary corrections.

Respectfully submitted,
The Firm of Karl F. Ross P.C.
